

# Tactical

Our tactical vests are specifically designed to protect and perform during strategic and high-risk operations. Unlike other manufacturers, we offer a variety of pocket and strap configurations for each tactical vest. The vests pictured here in this catalog represent only a sampling of the available designs and options. Our design team will collaborate with individual agencies and bases to yield the highest quality customized tactical vests. Our vests will exceed your expectations of standard issue or "off the shelf" vests.

## All tactical vests come equipped with the following:

- Webbing for the optional attachment of upper arm protection
- Velcro closure for the optional attachment of groin protection
- Dual pocket system to accommodate either 8" x 10" or 10" x 12" level III or IV plates
- Drag strap
- Custom ID Patches for front and back if needed

All tactical vests and accessories are available in the following colors: Black, Navy Blue, OD Green, Woodland Camo, and Tri-color Desert Camo. Other colors may also be available.
